

Family Online Safety Agreement

Ages 13 and Under

Online safety is a partnership. To make sure everyone stays safe and responsible on the Internet, it's important for kids and adults to agree on the ways that personal devices and technology will be used.

 **Share with me/us what you're doing online**

 **Always be kind, polite, and respectful to others online**

 **Only access or download music, videos, social apps or gaming accounts with my/our knowledge**

 **Think before you post a comment, send a chat, or hit the like button. Understand that what you post today will still be there tomorrow and may be there forever**

 **Only use your device at times that we have agreed on, and respect limits**

 **Don't access inappropriate content or apps**

 **Tell me/us if you see bad or disturbing content so we can avoid or report it**

 **Use security and privacy settings for each account**

 **I acknowledge that parental controls will be used when needed**

 **Be a responsible digital user and respect these guidelines for what I am allowed to do online**

 **Understand the importance of balance and non-tech activities in my life**

 **Have fun, be creative, and explore safely!**
